

Priority Visa Service - Disclaimer and Term and Conditions

Priority Visa applications will be processed ahead of other applications.

The UK Border Agency will expedite the processing of your visa application and the return of your documents. Please note that this service is only available to Visitor visa applications.

Please be aware that you may experience extended processing times if any of the following factors apply:

Have previously been refused a visa for the UK, and /or

Have previously been deported, removed, or otherwise required to leave the UK, and/or

Have overstayed a period of leave in the UK, and/or

Have been refused leave to remain in the UK by the Home Office, and/or

Have been previously been refused a visa for Australia, Canada, New Zealand, United States of America or the Schengen countries

Have been convicted of a criminal offence in any country.

The cost of priority visa is an additional \$200 (including VAT) paid at the current rate of exchange, as published by the National bank of Ukraine, in UAH but excluding courier and SMS service.

Important note: Using the priority visa service does not guarantee that your visa application will be successful. All applicants must meet the requirements of the UKBA Immigration Rules. The priority fee will not be refunded if the visa is refused or, in exceptional circumstances, if the application takes longer to conclude than published processing targets.

VFS is not responsible or liable to the visa applicant for any loss, damage or expenses incurred directly or indirectly by the visa applicant as a result of delay in processing of the visa by the British Embassy or any adverse external problems that may impact VFS's service delivery.

I have read and understood the Disclaimer and the terms and conditions contained herein and agree to abide by the same
